

## Neurocrine Biosciences Announces Conference Call and Webcast to Report First Quarter 2015 Results

April 23, 2015

### Conference Call and Webcast Scheduled For Thursday, April 30, 2015

SAN DIEGO, April 23, 2015 /PRNewswire/ -- Neurocrine Biosciences, Inc. (Nasdaq: NBIX) announced today that the Company will report its first quarter 2015 results before the Nasdaq market opens on Thursday, April 30, 2015. Neurocrine will then host a live conference call and webcast to discuss its financial results and provide a Company update Thursday morning, April 30, 2015 at 8:00 a.m. Eastern Time (5:00 a.m. Pacific Time).

Participants can access the live conference call by dialing 866-952-1906 (US) or 785-424-1825 (International) using the conference ID: NBIX. The call can also be accessed via the webcast through the Company's website at <http://www.neurocrine.com>.

If you are unable to attend the webcast and would like further information on this announcement please contact the Investor Relations Department at Neurocrine Biosciences at (858) 617-7600. A replay of the conference call will be available approximately one hour after the conclusion of the call by dialing 800-839-5127 (US) or 402-220-2692 (International) using the conference ID: NBIX. The call will be archived for one month.

Neurocrine Biosciences, Inc. discovers and develops innovative and life-changing pharmaceuticals, in diseases with high unmet medical needs, through its novel R&D platform, focused on neurological and endocrine based diseases and disorders. The Company's two lead late-stage clinical programs are elagolix, a gonadotropin-releasing hormone antagonist for women's health that is partnered with AbbVie Inc., and a wholly owned vesicular monoamine transporter 2 inhibitor for the treatment of movement disorders. Neurocrine intends to maintain certain commercial rights to its VMAT2 inhibitor for evolution into a fully-integrated pharmaceutical company. Neurocrine Biosciences, Inc. news releases are available through the Company's website via the internet at <http://www.neurocrine.com>.
