Updated Biography of Class III Director Gary A. Lyons Nominated for Reelection at the 2023 Annual Meeting of Stockholders

The following biography has been corrected and updated to reflect new information made available to the Company:

Gary A. Lyons has served on the Board of Directors since joining Neurocrine Biosciences in February 1993. Mr. Lyons served as the President and Chief Executive Officer of the Company from February 1993 through January 2008. Prior to joining the Company, Mr. Lyons held a number of senior management positions at Genentech, Inc., including Vice President of Business Development and Vice President of Sales. Mr. Lyons is currently the Chairman of the Board of Directors of Travers Therapeutics, an ultra-orphan disease commercial-stage company. Mr. Lyons is currently a member of the Board of Directors of Fresh Tracks Therapeutics, Inc. (formerly Brickell Biotech, Inc.), a biotechnology company focused on debilitating skin diseases (“Fresh Tracks Therapeutics”), Eledon Pharmaceuticals, Inc. (formerly Novus Therapeutics), a biotechnology company focused on immunology therapeutics (“Eledon Pharmaceuticals”) and Rigel Pharmaceuticals, Inc., a biotechnology company focused on developing drugs for the treatment of inflammatory/autoimmune and metabolic diseases (“Rigel Pharmaceuticals”). Mr. Lyons was previously a director of Facet Biotech Corporation. Mr. Lyons holds a B.S. in Marine Biology from the University of New Hampshire and an M.B.A. from Northwestern University’s J.L. Kellogg Graduate School of Management.

On April 21, 2023, Mr. Lyons tendered his resignation from the Board of Directors of Fresh Tracks effective as of the date of Fresh Tracks' 2023 annual meeting. Additionally, on April 26, 2023, Mr. Lyons informed Eledon Pharmaceuticals that he is retiring from Eledon Pharmaceuticals' Board of Directors immediately prior to the company's 2023 annual meeting and would not be standing for election. In March 2023, Mr. Lyons stepped down as Chairman of the Board of Directors of Rigel Pharmaceuticals, although he continues to serve as a director. The Company's Nominating/Corporate Governance Committee, together with the Board, believes that Mr. Lyons' outside board commitments do not limit his ability to devote sufficient time and attention to his duties and to fulfill his responsibilities on the Company's Board of Directors.

The continued service of Mr. Lyons on the Company's Board of Directors is based on Mr. Lyons' extensive business development and corporate governance experience and, as the Company's former Chief Executive Officer, his in-depth understanding of the Company's strategic plans, business operations, management and culture. With this history with the Company and management, Mr. Lyons brings a unique perspective and point of view to the Company's Board of Directors.
